

REJOYCE FINANCIAL

Your family's health, wealth & happiness is our mission.

Indiana Retirement Professionals

ReJoyce Financial is a Retirement Planning Firm. Our dedicated team of Financial Professionals' primary goal is to help our clients work towards a secure, sustainable, predictable income in their retirement years. We provide alternative strategies that protect our clients and families from high-risk investments in their retirement years, but also offer the potential for market gains. For clients not yet ready for retirement, other strategies are available.

We know very well that we aren't alone in the services we provide. That is why we think it is so important for you to learn about us and our values. At ReJoyce Financial we want you to feel like part of our family. Your finances are key to your quality of life, and we recognize that. We want to be there for your every concern, to ease the worries, you may have about your retirement. Don't let your golden years be marred by anxiety and let us do the heavy lifting.

ReJoyce Financial offers Final Expense benefits to our clients. This guarantees that our clients will have funeral arrangements and be buried as they wish.

Alexander Joyce *CEO and PRESIDENT, CEP®, CRPC®, NSSA®*

As a Financial Professional, [Author](#), and host of the [Retirement Halftime Show](#), Alexander Joyce brings a wide variety of knowledge to the table. And as President and CEO of ReJoyce Financial LLC, a retirement planning firm based in Carmel, Indiana, he channels that knowledge into one coherent goal: helping clients work toward their retirement dreams.
